Micro-Grants: Call for Applications

ISB Micro-Grants are meant to sponsor local/regional short meetings of ISB members to synergize their work efforts, to generate a space to share your work, and to further help to advance the goals of the society.

Micro-Grants are awarded in the amount of (US) $250 per group, and applications may be submitted at any time (i.e. no deadlines). If awarded, the group will write a 300-word report informing the ISB membership about the outcomes of the meeting. This report must be sent to intsocbio@gmail.com no later than 30 days after the end of the meeting. The report will be also posted on the ISB Newsletter.

To apply, members fill out and sign a short form with a brief description of the purpose of the meeting, its target audience and possible affiliations, including how the meeting will benefit the members of the ISB community. To request and submit the short form, please contact us at intsocbio@gmail.com with the subject line ‘ISB Micro-Grants Application’.
